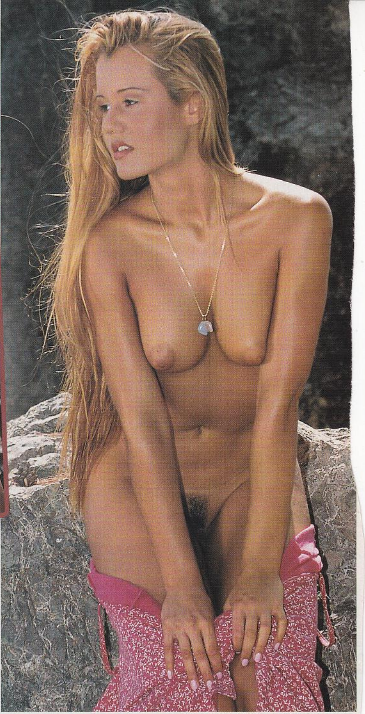
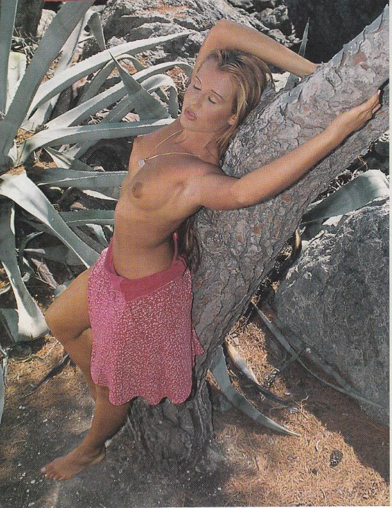
Biker Babes Wanna Ride Your Face!

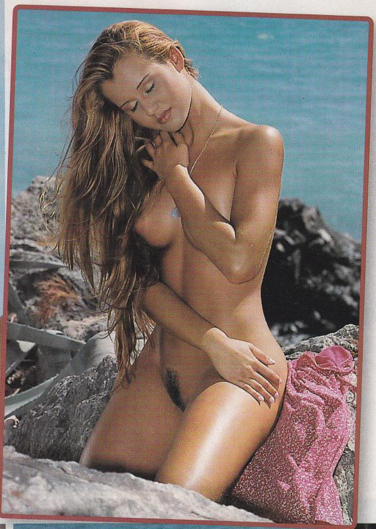
On The Road—The Great Canadian Centerfold Search!

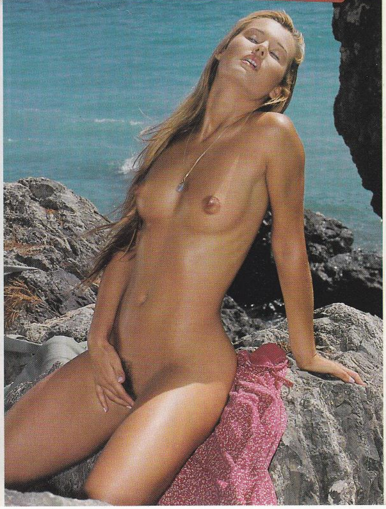


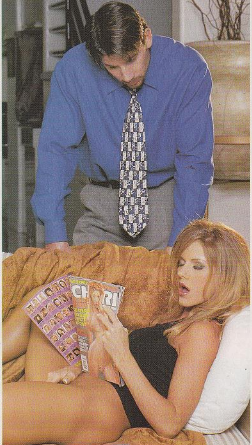


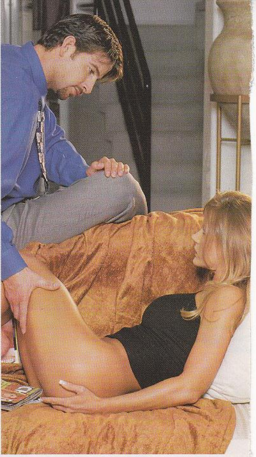
PHOTOS BY BOB FERGUSON

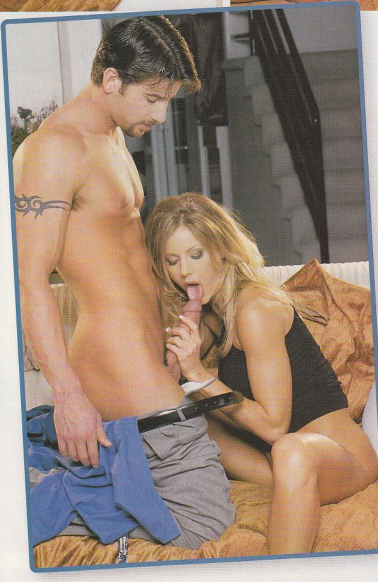
Linda is a very adventurous girl. She likes to go hiking on the nature trail...though she often wanders off it if she's feeling horny. Here, in her favorite quiet place, she finds the solitude necessary for her strongest, self-induced orgasms. She begins by sunning her lean, lithe body for an all-over tan. Then, she'll start running her feminine fingers all over her browning skin—very softly, barely touching. Playing with her nipples, she begins to touch herself more strongly—and more sensually. Working her way down her gorgeous torso, Linda finds the quickly-moistening patch between her legs, and gradually allows herself to touch it. Then stroke it. Then explore its mysterious depths. Before long, Linda's playing with herself, breathing deeply and irregularly, as the pleasure rises to the point that it can no longer be ignored or contained. And finally to the point where she can no longer even think about anything but her own gratification.











PHOTOS BY JOE STEEL

There is a force in this world greater than any man can resist. Or any woman, for that matter. It's called your sex drive. You know what it's like to be a slave to your sex drive. If you weren't such a horny bastard, you'd be reading some lame news or entertainment magazine instead of CHERI. Well then, you'll understand the problem faced by the beautiful Amber here. She's just as hot for dick as you are for her pussy. She is truly a "friend in need." And when her buddy starts waving his man-meat in her face, Amber loses all control, and just has to go for it. There's no way for her to resist the temptation of the flesh. She knows he'll fuck her good and hard, the way she loves. So she grabs the stiff shaft, sucks on it like there's no tomorrow, and then urges him to hurry up and put it in her. He obliges by holding her ankles in the air and plunging his cock all into her all in one swift stroke. Ah, now Amber's finally getting what she wants...after all, that's what friends are for!

BI-BABES GOBERSERK

BUSTY BRUNETTE GETS INITIATION SHE WON'T FORGET

PHOTOS BY JOHN GRAHAM

Blonde, busty Dionne is a notorious bisexual. And you know what? Lesbos can love big tits as much as any guy. So when she gets an eyeful of the rack on the new girl at work, well, Dionne just *knew* she had to get her hands on those mammary glands. So she set about seducing the pretty-but-clueless Melanie. And succeeded. Now Dionne's face tells you she's in cleavage heaven. Melanie's new to this kind of activity—but in the capable care of the voluptuous Dionne, she's getting the best possible introduction to girl-girl love. Dionne puts her latest lover at ease by sucking on Melanie's enormous nipples and aureoles. Once her busty virgin is good and relaxed, Dionne moves down Melanie's body to the even-more-interesting area between her legs, which is now moist to the point of dripping. And that is where Melanie's initiation will *really* begin...

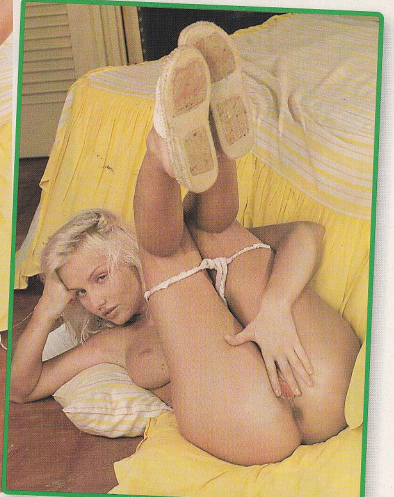
BUNGALOW BLONDE GIVES VERY PRIVATE PEEP SHOW

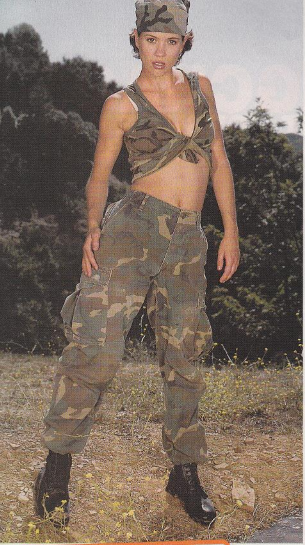
PHOTOS BY CORY HILL

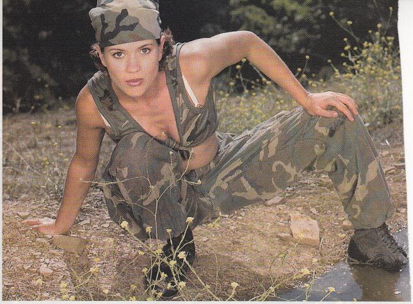
Pamela has a very strong libido. It creeps up on her even when she's trying to think about something *other* than sex. Erotic thoughts storm the ramparts of her brain, forcing her to strip down and give herself a good fingering at any hour of the day or night. If there's no man around to pleasure her, she's happy to do it for herself. Like now, for instance, in the middle of a golden afternoon, all on her lonesome, in her California bungalow. Pamela feels safe in the knowledge that she's alone and private. She didn't count on us and our nasty cameras. She didn't know she was under our voyeuristic surveillance. If she did, she might not have been so bold. Might not have made so much noise. Might not have spread her legs for those juicy views of her cunt. Then again, Pamela's a pretty dirty girl—so maybe she would've done all those things for us anyway!



THECUMMINGCHAOS

SURVIVALIST PORSHA'S ON A SOLO SEX MISSION





PHOTOS BY RON VOGEL

"Laugh all you want, soft boys. But I'll be alive out here while the rest of you are slaughtering each other over the last box of cereal!" Porsha's not normally the paranoid type. But this Y2K deal really has her spooked. She's predicting the worst—social breakdown, riots, and who-knows-what-else. That's why she's out here in the bush, living on berries, getting sweaty, and doing paramilitary training. Push-ups. Drills. Long runs. And even longer sessions of solo sex. "I've got to learn to provide for all my needs—and that includes my sexual needs. The only thing that's keeping me sane throughout all this is diddling my clit. I've been doing it for hours! It's even eating into my training time. But I've got to say, it's a lot more fun than doing chin-ups on a tree branch." Just think—too much masturbation could jeopardize Porsha's chances of surviving the *cumming* chaos.

Now that he's finally got her back to his place, Andras is getting a little overexcited at the prospect of fucking the lovely Venetia. We understand his eagerness—we're pretty damn impatient to fuck Venetia ourselves. This is why when he pops the cork of the champagne, it "accidentally" sprays down over his date's front. The bubbly wine shoots all over her, white and frothy, just like something else that will spray all over her before the evening is through. And once a dress is stained, the only thing to do is to take it off. *Much better*, thinks Andras. Now he can do to Venetia all those things he's been planning—like liberally applying his tongue to her twat, placing her on his muscle of love, doing 100 push-ups on her, and, yes, spraying white liquid all down her front. And with this, a perfect evening *cums* full circle.

Elisa

23 yrs old, 34-25-32, Dental Assistant, San Francisco, CA

Elisa's into water sports...no, not *those* water sports, you sick bastard, just the kind you do on boats and water skis. Elisa's also into sucking cock and doggie-style sex. "I've got a boyfriend, but guys at work are always hitting on me anyway," Elisa reports. "I guess I don't mind—I'm a bit of a flirt." Yeah, now open wide and make us say *ahhh*, Elisa...

Claire Marie

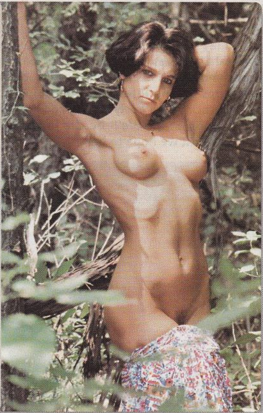
25 yrs old, 34-24-32, Barmaid, Bristol, England

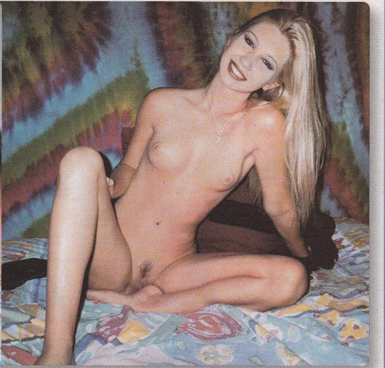
As a "serving wench" in merry ol' England, Claire Marie gets hit on by lots of men. Still, she often finds herself alone. "Sometimes I'm tempted to bring a cute guy home, but I rarely do," Claire Marie says. "Usually I'll go home after my shift and masturbate five or six times before going to bed. I'm really hooked on playing with myself." Hey, join the club!

Risia

32 yrs old, 36-24-34
Cosmetologist,
New York, NY

Risia's a romantic at heart. Her most memorable erotic moment was when she made love to her husband while riding on the New York State Thruway (mode of transportation unknown). "I enjoy making love in a variety of different positions," Risia reports. "My body is like a mood ring—it responds to emotional changes." And our bodies are like big, pudgy fingers—mind if we slip you on for size, Risia?





Erin

18 yrs old, 34-22-32, Dancer, Phoenix, AZ

Yum! Lovely young Erin looks good enough to eat...and, as you can see, she's already cooked herself well-done! Her hobbies include sunbathing (though obviously without using sunblock) and having offbeat sexual adventures. "The wildest sex I ever had was on my parents' bed...while they were home," she says. Gee, hope you changed the sheets, Erin!

C-Jay

19 yrs old, 34-26-36, Data Processor, Lawton, OK

C-Jay is one smokin' Okie! Her hobbies include modeling, sunbathing, and partying—all the qualities we look for in a CHERI girl. C-Jay also has a patriotic streak to match her exhibitionist tendencies. "Well, I did have sex in my Army Recruiter's office once," she explains. For C-Jay, it's not just a job, it's an erotic adventure!

Melissa

23 yrs old, 34-25-31
Housewife,
Pascagoula, MS

Mel is a long and lean sex machine! She'll fuck just about anywhere, anytime! "One night my husband and I were walking home along the railroad tracks," Melissa explains. "We were horny, so we fucked right there on the tracks!" Hey, be careful, Melissa! We don't want to see you on the next Fox-TV special: *When Trains Run Over Fucking Couples*!

Amy

20 yrs old, 34-22-32
Student,
Hong Kong

There's something about Asian women that drives us wild. Maybe it's their porcelain skin, silky hair, and almond-shaped eyes. More than likely it's their big, rubbery nipples and the fresh sushi between their legs. Amy here possesses all of these qualities as well as a high-powered sex drive. "In my country, sex is weird," Amy explains. "Everybody is either too repressed or too freaky." *Cum* to America, Amy, we'll stick you somewhere right in the middle!

Simone

23 yrs old, 36-24-36, Model, Sipplingen, Germany

We'd like to tell you all about Simone's sexual experiences and perverse fantasies—but all of her letters to us were written in German! Ah well, a couple of things about her are obvious: She's got a beautiful face, a killer body, and a love for hard-ridin' machines. Oh yeah, she's got great taste in sex mags, too. CHERI, CHERI! *Ja, Ja*!

Gianna

33 yrs old, 34-24-35
Customer Relations,
Rockland, MD

You may remember Gianna from her last appearance in our Homebody section. If not, allow us to refresh your memory: She loves drawing, long motorcycle rides, and fucking—though not necessarily in that order. While she claims her sex life is "nothing out of the ordinary" she admits to wanting "two men at once." We've got an office-full if you're looking for volunteers, Gianna.

HOMEBODY OF THE MONTH

AMY

PHOTOS BY RON VOGEL

We at CHERI are on a constant quest to bring you the finest, foxiest females from around the world. We'll travel far and wide to find them. But every once in a while, an exotic dish like Amy just drops in our laps. Her pictures plopped on our desk bearing a Hong Kong postmark. Inside, we found a delectable young Asian babe with long, silky black hair that made you want to reach out and stroke it. (The hair on her head was pretty nice, too.) Amy's letter inquired, with Eastern politeness and submissiveness, if we would consider her pretty enough for our Homebodies pages. When we told her she had made Homebody of the Month, well, she was positively ecstatic. (Making girls like Amy ecstatic is one of our favorite things in life.) So put away your tired, hungry-an-hour-later jokes, fellas, and give a warm, Western welcome to one hot little import!

CANADIAN BEAVER

And for anyone who thinks that Canadians are uptight or (pardon the pun) *provincial*, consider that even a farm town like Winnipeg permits bottomless dancing in establishments with liquor licenses—at a time when some clubs in New York can't even show *topless*. Kind of makes us here at CHERI want to apply for Canadian passports. We salute our northern neighbors, and wish them much happy fucking—fucking that will produce future generations of foxy females for our pages! Cheers to all the staff at Teasers, as well as the crowds of fans who turned out. You know this is one club that CHERI will be *cumming* back to!

Now we know why they call it *hard*wood!
